## **Gordon W. Person Scholarship Application Deadline: Postmarked by January 15, 2017**

NDPAMA is a non-profit organization dedicated to the continued education and professional advancement of its members, and to the promotion of aerospace maintenance as a career field for interested young men and women.

### **Scholarship Selection Process:**

Any person with an interest in a career in the aerospace industry, either enrolled, or with the intent of enrolling in an FAA part 147 aircraft maintenance technician training program, is encouraged to apply.

Applications are subject to the review and discretion of the NDPAMA scholarship committee.

If two or more applicants are equal in qualifications, an essay, or interview with the applicant may be the deciding factor. The NDPAMA Scholarship recipient will be notified by mail.

### **Scholarship Value:**

The scholarship is valued at \$1,000.

### **Payment Schedule:**

All scholarship monies will be paid upon verification of enrollment in an FAA part 147 aircraft maintenance technician training program.
